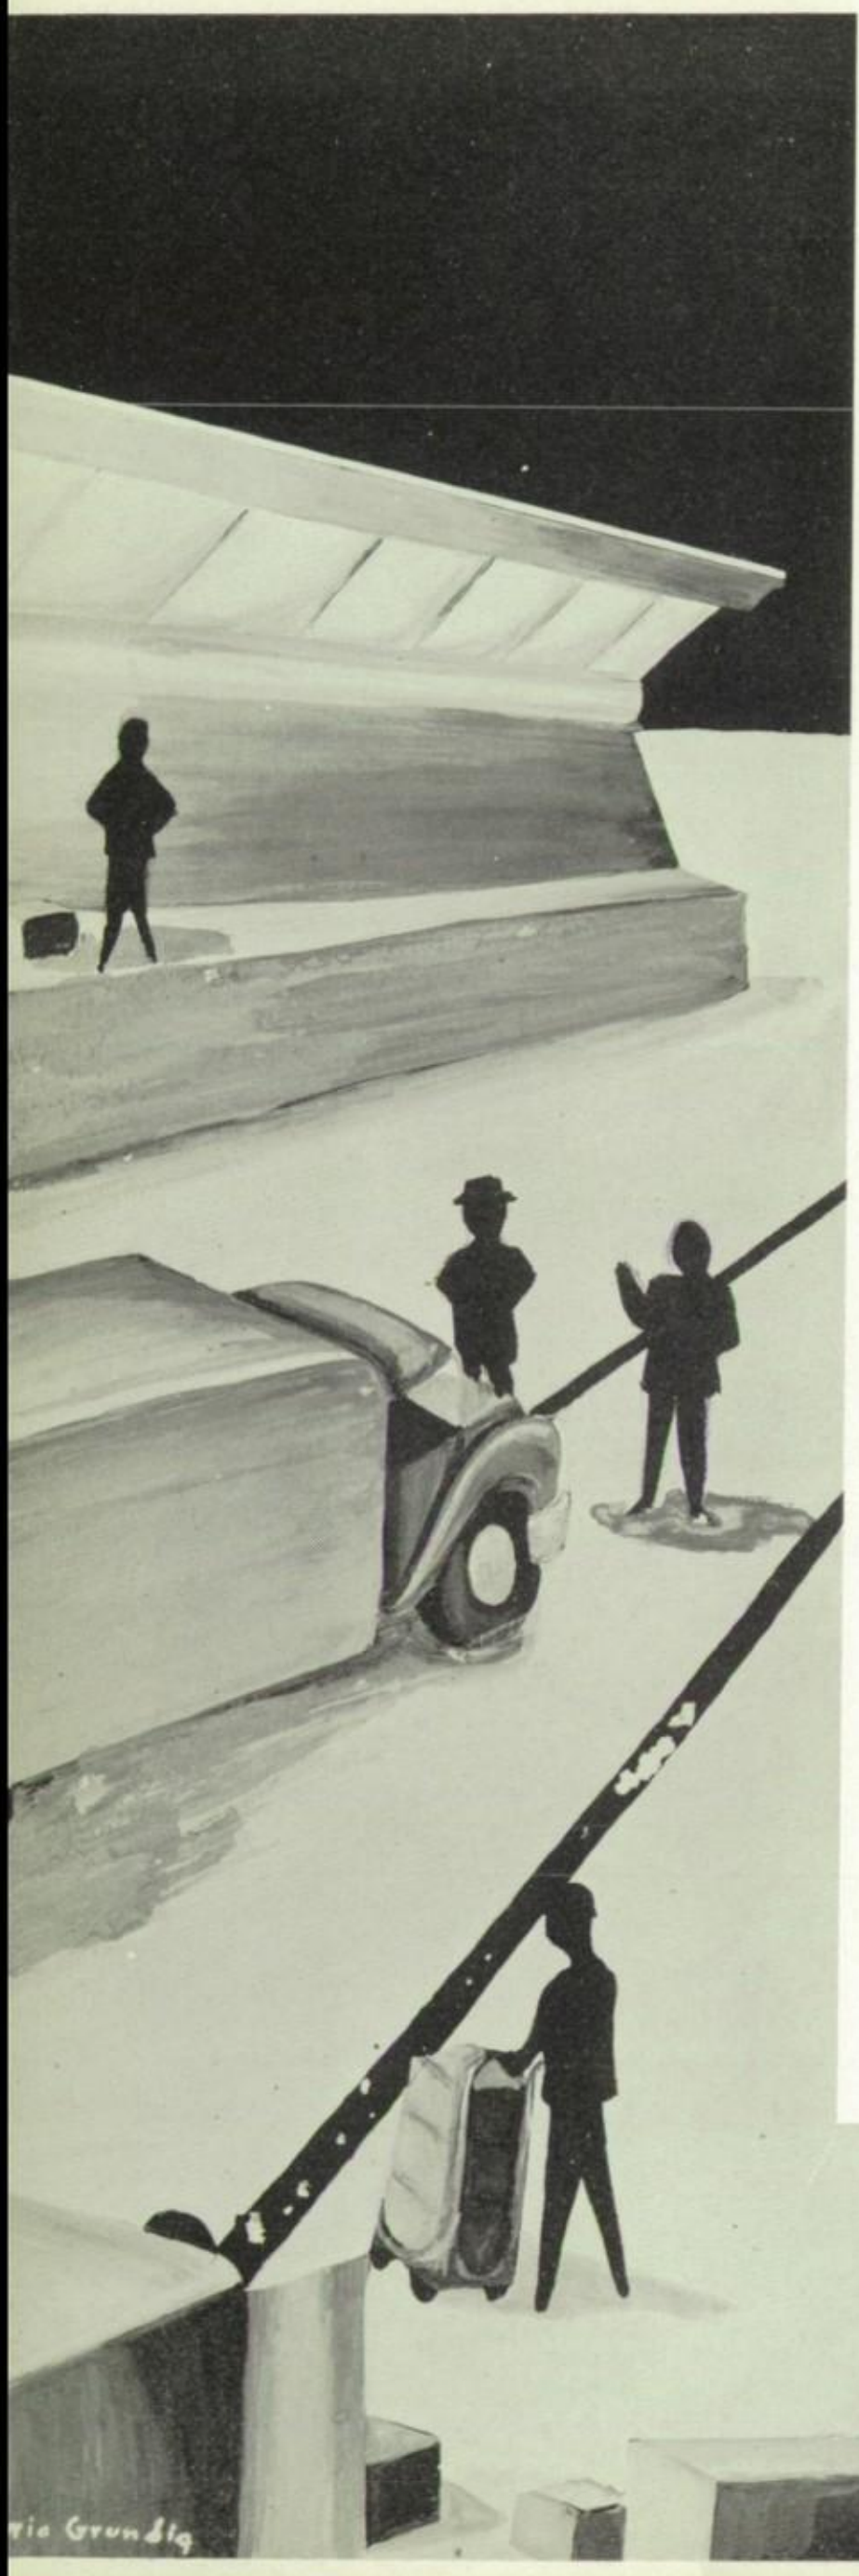
Dedication

To Mr. Philip J. Hickey, Superintendent of Instruction, St. Louis Public Schools, who during his long and faithful service in the St. Louis Public School System has been instrumental in our schools attaining a national reputation for efficiency, progressiveness and high standards; through whose courageous leadership, the St. Louis Public School System has become one of the first to implement desegregation which exemplifies the new born progressive spirit of St. Louis, we, The Senior Classes and The Beacon Staff of 1956, proudly dedicate this book.

Bob. The best
of luck to a
real swell
guy who was in
a lot of fun in Bkpg.
Miss. Please.
Good morning



Foreword

After years of apathy, St. Louis has decided upon an era of progress. The city officials and citizens have provided the leadership, planning, and money to secure widespread civic improvements in St. Louis. With this thought in mind the Staff felt an excellent opportunity presented itself to use the theme "Reconstruction in St. Louis" as a backdrop to present the varied and important activities of the past school year. It is the sincere hope of the Staff that this edition will be favorably received by the student body.

Seniors

To The 1956 Senior Classes

It is very comforting in times of stress and uncertainty to know that our destinies are in good hands. Were it not for the visions, aspirations, and courage of our youth, the outlook for the future might be grim indeed. For the help Cleveland High School has given in fostering these qualities we are happy, and for the splendid way in which these qualities have developed in our seniors we are truly proud.

May our school Motto forever be in your hearts and minds:

"Honesty, Industry, Loyalty, Courtesy."

Buenos días. Cómo están ustedes? These were the first words we heard from our new advisor, and I believe we were at first a bit mystified. Being bright Sophomores, however, we soon caught on to the fact that our advisor, Mr. Hall, was a Spanish teacher, and we soon learned to understand these greetings and look forward to them each morning.

Probably the days that were the most outstanding for us were the ones around Christmas, when we had our fabulous Christmas parties, which we always celebrated with **mucho gusto.** We shall always remember the laughter that greeted each present—a toy mouse, a baby bottle, or slingshot.

Each term brought us a little closer to one another. Our accomplishments were many; football maids, the class president, the vice-president of the Student Council, and the most superlatives of all the advisories. Of course there were a few rough times too, when our Trig., Chem., or Spanish got the best of us.

Time flew by, and Commencement was on us before we knew it; college plans began to take shape, for some the Armed Forces, others marriage. Whatever our plans, we knew we would never forget our days in room 4 with Mr. Hall and our final good-byes. Not **adiós** this time, but **hasta la vista,** "Till we meet again."

Three years—three years of greeting sleepy-eyed friends every morning of every school day. One would think at the end of that period of time it would be a pleasure to make a change. However, the mad whirl of Monday morning greetings, announcements of meetings and games, attendance taking, conversations and unfinished homework will be sadly missed by us.

We can never forget the day we entered Miss Knight's advisory as quite well-behaved Sophomores. Nor is it easy to forget our last day in room 6—the talking and shouting to get your point across—across the room that is.

When we look back on it all now, we did give little Miss Knight a "rough going" at various times. But we more than made it up to her when some of us carved our names in the history of Cleveland by becoming standouts in Student Council activities, Spanish Club, on the gym team, track team, and football team. Associate Art Editor of the Beacon, Co-Editors of the Orange and Blue, four members of the Principal's Cabinet, two cheerleaders, four Senior class officers, scholars and several girls active in girls' athletics all belonged to us. "Small but Mighty" well may have been our motto in addition to the daily plea of "Please be quiet and pay attention."

Among the memories of the old advisory gang in addition to the candy suckers on Valentine Day, the gumdrops of those receiving an Academic "C" and the lecture for those unfortunate enough to get barefooted "E" will be the friendly, discerning eye of our beloved Miss Knight and her strong desire for Chuckles.

As this is read we will have departed from the castle halls, but our memories will linger for quite awhile. Our group was fortunate in having an accomplished leader who was outstanding in one of her fields, that of advising. Everyone appreciated all the services and advice given helpfully and sorely needed at times. For Miss McCalpin's guiding hand in time of temptation and for generally straightening us out we are forever indebted.

Besides the seriousness and study of which we did our share and had our awards, we had fun. We enjoyed school and showed we did with parties, activities, and general advisory nonsense, which we hope were not too boisterous.

Old 203 had its share of brains, bums, athletes and artists, humor and headaches, parties, and proms, big wheels and littler ones, just about everything required to compose a well-rounded, happy little advisory family.

Together with friendly faculty help, a fine school, peppy, ambitious students, room 203 has been to us for three years a second home.

Our group started its four-year journey under the guidance of Miss Boland. For one year room 217 was "home" to us. When the first year drew to a close we learned we would soon have a new advisor. Our group, however, was not one to do anything in a small way. Instead of one new advisor we had four of them. First there was Miss Mott. She was quickly followed by Mr. Mills and Mr. Burnett. By this time we were a thoroughly confused group.

One morning we were led to a strange room and it was there we were introduced to a friendly, portly gentleman called Mr. Schueneman. It was under his genial care that we soared through our last years at the Castle. Who could think of a better way to start the day than with a great guy like Mr. Schueneman amidst the noxious fumes of the chem. lab?

What did our group accomplish? Well, we did quite a few things. We had more than our share of lettermen, writers, "big wheels," and gum chewers. Perhaps our greatest and most pleasant achievement was that we had fun. We enjoyed school; and, in our estimation, that is the greatest compliment that can be paid to Mr. Schueneman, the faculty and the student body.

Absent: Carolyn Rube, Ronald Vonder Haar.

This group of future adults has struggled through four years of high school work, outlasting two advisors and a few teachers, in preparing for the long haul ahead. Our third, and last, advisor, Miss McCalpin, has done her best with this enterprising collection of scholars, athletes, and all-round students, who have left a small mark behind acknowledging their stay at Cleveland. Most of us have been through thick and thin together, but a few new faces have made their way into our group to replace the ones who found high school a bit too difficult. In most cases, we have done our best to prepare ourselves for the future, whether it be college or a job, by taking the correct courses and passing them on the first attempt.

Among us are a few athletes who have won letters in various sports while bettering themselves and Cleveland's athletic record. Memorable friendships have formed between members of our advisory, some of which will endure and others of which will be lost as we move about the country, seeking our fortunes. All in all, it has been a rewarding four years with this advisory, which is the best ever to be graduated from Cleveland High School!

Well, here we are eights at last! We're as proud of this accomplishment as we are of our advisory. Most of us have been together since we were Freshmen and we all remember the Christmas parties and picnics we had.

We have quite a number of celebrities in our advisory. Heading the list are our Senior Class President, Bill Gardner, and Bob Rhoads, the 1956 Beacon Editor. We have members on the football team, the basketball team, the swimming and track teams. There are many among us who are Grade A students.

We all know how proud we were the day rings and pins were distributed, because now everyone would know that we were Seniors.

Even though we'll be leaving the Old Red Castle soon, no one will forget the friends we made, the Aud Sessions, the Lunch Room, Senior Privileges, and most of all we'll remember our advisory.

Absent: Ward Billingsley, Evelyn Messmer.

For our group the four years here at Cleveland have been filled with many memories which will remain with us forever. Those memories of our Senior year especially stand out, the Senior Prom, the Seven-Eight party, the C.P.A. party, the "Y" party, and other outings.

Our group boasts several very good dancers, star athletes, and musicians. Some of our number have won recognition in the field of art, in the Bond Issue and Health Boaster contest, and one who took first place in the Public High Christmas Carol Poster Contest of St. Louis.

Mr. Parker, who has since retired, was our guiding hand during our first year.

We've stuck side by side through four years of trials and tribulations at the Old Red Castle, although some of us did fall by the wayside. We have made many lifetime friends and we will cherish the memories of Our Advisory Group.

If you had walked into Room 16 at 8:45 any day this term, you would have found Mrs. Gumbrill assembled with her group of "Doodlehoppers" and "chickadees" busy (?) finishing their homework before the school day began.

We've had eight wonderful terms together, and though we lost some in our group to the January Class and the work program, we were always happy to welcome new people to our advisory.

If you'd like a little example of our spirit, at Christmas we chipped in and donated money to two charities, the Post-Dispatch Christmas Fund and CARE to make someone else's Christmas happier.

Like most advisories we've had our share of fun-loving characters, and also people who have contributed a lot to Cleveland life. Some of us have been active in Beacon, Orange and Blue, choir, Speech Activities, and various sports. We were all very proud of Judy Ebner when she was chosen one of our 1956 Basketball Maids. We also enjoyed the Trout Lodge Picnic, the 7-8 parties, the "Y" party, and the big event of our year, the Senior Prom at LeChateau.

And, though we may not all admit it, each of us is probably just a little sad at the thought of leaving room 16 and the Old Red Castle for good. We'll always remember our four years of work and play at good old Cleveland.

Miss Hoffman's Group

Row 1: Sandra MacDonald, Patricia Gerner, Dorothy Gillman, Nancy Warner, Marianne Meier, Deanna Darr, Betty Goleash, Carolyn Piepmeier, Janet McArthy, Barbara Reese.
Row 2: Bernard Walkenbach, Carlen Chicon, Cleo Hartman, Peggy Kinsey, Amanda Chura, Jean Baggott, Paula London, Tom Gilley.
Row 3: Miss Hoffman, Raymond Diehl, Richard Perry, Eugene Vasel, Leon Sanford, Steffen Helgaas, Stuart Walls, Ted Chura, James Taylor.
Absent: Robert Dressel, Donald Hardy, Ann Napoli.

In September '53, Miss Hoffman received an advisory of twenty-nine pupils. Sixteen of these original pupils are still with her. The rest of the twenty-six students in our present group have come from different advisors and from three different states (Arkansas, Illinois, and South Dakota).

Our advisory is unique in that we have the only twin in our class and we have two cadet teachers. We have four senior superlatives: Amanda Chura—Most Intelligent Girl, Eugene Vassel—Best Sense of Humor, Barbara Reese—Best Dressed Girl, Ann Dulle—Prettiest Hair.

Ann Dulle, the girl with the prettiest hair, was married this term.

So, every morning in room 116, our group meets. We have athletes, singers, intellectuals, public speakers, and all of the kids are great. We are glad we came to Cleveland, sorry to leave, and eager to meet the future. We all have plans for the future, some plan to be married, others have good jobs ahead of them, and fifteen of us have serious college plans. So we all join in saying, "Good-by!" to the Old Red Castle and "Hello!" to the big adventure ahead of us.

For the past four years, many of us have been looking forward to graduation. Now as the time draws near, we wish we were starting over. Maybe we would spend the four years exactly the way we did, or maybe altogether different.

Group 300 originally started with Mr. Briggson, but after a year we began climbing the beaten path to the well known room 300. Miss C. L. Mann always found time for us even though she was busy with many choirs and performances. With her guidance and encouragement we have tried to overcome our shortcomings.

Celebrities and superlatives all went together to form a great advisory. We realize that we can't keep the same friends or do the same things all through life, since we must go on to bigger and better things; but we will always remember that Cleveland has played an important part in our growing up and even in our later accomplishments.

Absent: Judy Flier, Joan Kuhlmann, Theodore Muschany.

Here we are graduating already! What a marvelous four years we have spent here at Cleveland. We have worked and played and made many lasting friendships, particularly in our advisory. We are different from other advisories in that we have had more than one or two advisors. In fact we have had five—Mrs. Whitehouse, Miss Grundman, Miss Sprague, Miss Cronin, and Mrs. Theodore. Like other advisory groups we have done many things together. As freshmen, we went on a picnic at Carondelet Park, and we have had Christmas parties. We remembered two of our advisors with gifts when one retired and the other was married. We are proud of our stars on the football and swim teams, our public speakers, and the "prettiest eyes" in the Senior class. These are just a few of the highlights of our four years together as one of Cleveland's best advisories!

"Hey, Pizza!" "Take your seats please." "See you later, alligator!" "Harold, quit mumbling!" "My name's not Harold!" "I nominate Skinhead." "Have you a detained slip?" "PLEASE take your seats!" "Hey kids, I lost my glasses!" These sounds come from room 125, Miss Tompkins' advisory, almost every morning. Some mornings are worse than others, but this one is about average.

We have among us two cheerleaders, the '55-'56 Basketball Queen, Editor of the O and B, Associate Editor of the Beacon, a Student Council President, Captain of the Basketball Team, President of the G.R.A., four of the six Senior officers, and seven Senior Superlatives, besides a lot of really great people who make our advisory complete.

We are very proud of, but not surprised by, these outstanding achievements, for, even as Freshmen, the members of our group showed great possibilities. We have grown very close through the sharing of common problems, fun, and a love for Cleveland; and we are sure that every one of us will agree that our advisory friendships will be the most memorable of all.

Term Seven

Finally we're Seniors! It's been a long hard grind, but we made it and couldn't be prouder. Now we have nothing to do but to have fun and make the most of our Senior year. We will graduate next January, and we wouldn't have it any other way. Some prefer tennis, but we like rolling around in the snow.

When the term started we unanimously chose Miss Boland and Mr. Julian to be our sponsors and the following officers were elected: Dave Kory, President; Judy Dressler, Vice-President; Joan Neels and Ken Lux, Treasurers; Emiline Royco, Secretary; and Stewart Cloud, Sergeant-at-Arms.

The "Sevens Only Party" which we had at the "Y" was a huge success for everyone seemed to have a great time doing everything from ping-pong to swimming. Our next undertaking was the "Seven-Eight Party." We had more fun planning and working on it than can be imagined. The actual party was tremendous and well worth our efforts.

We might have a small class, but everyone knows that good things come in small packages. We ordered and received our class rings and Seven buttons sooner than any preceding class. Because we love picnics, we went to Trout Lodge in May and we are now planning many summer activities.

As a class we have established ourselves as athletes, musicians, singers, and scholars. Although we have a shortage of girls, the ones we do have—strangely enough—seem to be excellent drivers but poor nurses. The boys, on the other hand, appear to have the qualifications for future doctors, but they have a knack for scratching fenders.

Yes, its great to be a "Seven:" to have a column in the Orange & Blue, to wear the little Seven button, and mostly just to be distinguished as Seniors. No, we won't trade our standing with anyone for we have had many good times already, and we can look forward to many more next term as "Eights."

Term Sixes

The Term Sixes have rapidly advanced since they first entered the "Old Red Castle" as "Nu-Jays" who were spellbound by the immensity of Cleveland High. We look back now and wonder what became of that lost little kid who went to the wrong study halls.

This year several of the Sixes have had the honor of becoming officers of the Student Council. The Council has done many worthwhile things this last year, such as sending Christmas stockings to the servicemen in hospitals.

Cleveland is also noted for its high musical rating. In the A Cappella Choir you will find many mischievous and cherubic faces and many of these belong to—who else, but the Sixes.

Both the boys and girls who are Sixes take part in Cleveland's athletic programs. For the boys there are the ever popular games of baseball, football, and basketball, along with swimming, track and tennis. This year there is something new! It is the intramural soccer team and it is doing quite well in its first year at C. H. S. The girls have, in the way of athletics, swimming, volleyball, basketball, hiking and bowling.

Besides having all this, the Sixes are still very capable of holding their own spotlight on the honor role. These students should get some well deserved applause. Among us are a few athletes who have won letters while bettering themselves and Cleveland's athletic record. Memorable friendships have been formed between members of our advisory, some of which will endure while others will be lost as we move about seeking our fortunes. All in all, it has been a rewarding four years with this advisory, which is the best ever to be graduated from Cleveland!

Term Five

We're Fives now. We can put our "Nu-Jay" and Sophomore shyness behind us and really be full-fledged Clevelandites. Of course, we aren't seniors yet, but that doesn't make too much difference. We are small in number but we have more than our share of spirit.

We're a part of the school now; people look up to us and we want to be leaders. You can hardly find a club or activity at Cleveland that doesn't have at least one Five in it. In fact, there just isn't enough time to do all the things we want to do.

Our scholars are holding their own on the honor roll, and everyone is taking his studies more seriously. We speak up in class, even when we aren't supposed to.

We are all in possession of a durable pair of vocal cords and show our versatility in this field by singing, and declaiming in "Voice of Democracy" contests, and still have plenty of wind left over to shout our cheers at the games. You can be sure that if we weren't in the games we were on the sidelines cheering our heads off.

But probably more important than any of these things are the memorable friendships we are making and the feeling of satisfaction that we have gained through achievement.

When we look back on the past two years, it seems as if we have just entered Cleveland. We sincerely hope that the next few terms will pass as happily as the last ones have. It has been fun and we would not trade it for anything in the world, except for being an Eight.

Term Four

Here we are finishing up the fourth step in our staircase climb to a successful graduation from the "Old Red Castle." Since being Freshmen we have found that many of our boys and girls have made successful achievements in their studies and also in athletics. Term Four boys represent us on every team and our girls excel in art, singing and instrumental music. Some have even made the swimming and rifle teams. A great number of us have placed ourselves firmly on the Honor Roll and we hope to remain there until we graduate.

Now as we are finishing our fourth term and we look back on the past two years, it seems that they have passed very rapidly. We hope that we will be able to contribute to Cleveland and its students as many achievements and successes as we can. We now realize that we belong to Cleveland and this knowledge will help us to shoulder the responsibilities that have been handed down to us. With our capable advisors behind us, our class can make their education a successful and happy one.

It is quite safe to say that we are all eagerly anticipating becoming Seniors and having our Senior priviliges and, of course, our Senior Prom. We are wondering who will be our Senior officers and superlatives.

But we know that no matter what shall happen in the future, it has been a wonderful experience just to have been a part of such a great class as ours.

Term Three

We certainly are a lively bunch of youngsters, and are enjoying every single day of this term. How wonderful it is not to shrink when somebody asks us the well-known question, "What term are you?", and to answer proudly, "I'm a three!" The Freshman year's over, and we are getting to know our way around Cleveland very well. Also, we are becoming acquainted with the "big wheels" who roam around the halls with a friendly look on their faces.

Turning to the subject of studies, General Ed. is old stuff to us. We're learning a brand-new subject called World History, which is (we all agree) a very interesting one. Of course, most of us all know that wonderful little subject which is required this term. What is it? Swimming, naturally! Although the water might sometimes be so cold that you feel like you are plunging into a high tank of ice cubes, we girls still enjoy ourselves very much and think it is well worth it to come to such a fine place for forty minutes twice a week.

Concerning the boys as well as girls, many students feel that in their sophomore year they feel more free to enter extra-curricular activities such as football, basketball, baseball and many other sports which help them to make friends and to improve their characters.

Turning again to the academic viewpoint, some of us are being introduced to the mysteries of geometry and algebra. For others it is biology, and learning how to operate a typewriter. The experiences and courses of term three will be useful in our future life.

Yes, not only have we grown in stature but also in our way of thinking.

To Bob who's a real
swell guy. Lots of luck
and succes at C.H.S.

Term Two

At last we are "Twos"! We no longer hear the word "Nu-Jay" echoing in our ears. We may not be a very large group, but we are heading for the top fast! A large number of us whose names have appeared on the Honor Roll are beaming with pride and hoping to keep up the good record.

The Freshmen boys certainly show their school spirit by participating in our school activities such as football, basketball, track, and soccer. Many of them, through the excellent guidance of our fine coaches, may become star athletes. We're hoping so! The girls, too, have school spirit. They are always backing up the fellows with their active interest and cheering at every game.

Do we have talent? We surely do! Our Freshman Talent Night proved that. The masters of ceremonies were Noel Kring and Dave Schiele. Refreshments were served in the lunchroom after the coronation. The crowning of Carol Kring left an impression upon us that we will never forget.

During the latter part of term one we took a trip to historical places in St. Louis. We visited the Old Cathedral, the Old Court House, and the Eugene Field House. We had a lot of fun while we were ones, but we are assured of having even more good times in our years to follow at Cleveland.

Term One

When boys and girls attend high school for the first few weeks, as "Nu-Jays," their actions are interesting and often humorous to their older schoolmates. Those who try to appear older and more experienced in the daily high school routine could be compared to honeymooners who try their best to cover up the air of "newlyweds."

They are especially noted for their innocent, amusing mistakes. A Freshman in Miss Randolph's group was convinced that one of his teachers was a Mrs. Roosevelt. After investigation, Miss Randolph discovered that the teacher was none other than Mrs. Theodore! Undoubtedly, the student is Republican.

Nu-Jays certainly have their ups and downs with the system of stairways at Cleveland. More than once, a Nu-Jay has been called "green" because of going up when everyone else was going down.

Teachers and coaches often find that Freshmen show unknown talents. It is their duty and privilege to develop that talent. Many of Cleveland's athletes were started on the right track when they first entered high school. We hope that a large percentage of the Freshmen that are going out for basketball and track now, will be lettermen in four years.

The field of sports is not the only one where Nu-Jays show their abilities. In an English class a boy or girl might be noticed while reciting, and go on to be a great orator. In an art class or mechanical drawing class, a teacher might discover an exceptional student and encourage him to open a whole new career for himself. Our Freshman year, especially this first half, will be full of experiences that help to build a good citizen of tomorrow.

The most important event to affect our lives during the past year was the passing of the $100,000,000 bond issue for public improvements. This event has the effect of rebuilding our city and is of vast importance to us, for it is we, as future citizens of St. Louis, who will be most affected by this tremendous change. Therefore we have tried to picture for you in our new 1956 Beacon, "The Reconstruction of St. Louis."

Our theme once chosen, we decided to variate our layout, after a trip to our Hannibal printers filled us with new and different ideas. Our trend was toward a cleaner, neater and modern page. Once introduced to the art class, the layout was given unanimous approval and work was begun at once.

With our work behind us and our achievements printed here for you to judge, we may look back upon the Bible verse, "We have labored not in vain." We only hope that you may receive as much pleasure from our work as we have had in preparing it for you.

Throughout the year, the paper has carried on with its established policy of bringing to Cleveland wholesome news and entertainment of interest to the students. The issues have been repeatedly sparked with timely editorials concerning civic as well as school projects, benefiting the community as well as Cleveland High.

The Orange and Blue is published bi-weekly by the students of the Advanced Composition Classes. The students do everything but print the paper. They write the material, compose the headlines, and arrange the copy on the pages.

Endeavoring to maintain the highest literary standards possible, the Orange and Blue was awarded a rating of Excellent by the Missouri Interscholastic Press Association four years in succession and last spring was rated All American in the National Scholastic Press, the highest award given to high school publications.

What are those strange noises coming out of Room 300 again? Don't get excited! It's only members of A Cappella Choir learning a choral version of "Rhapsody in Blue" for one of their many public performances.

Yes, Cleveland High would not be Cleveland High without the excellent work which is done in the Choral Music Department under the capable direction of Miss Charlotte Louise Mann. The annual Christmas and Easter programs are always important school activities, along with this year's spring show, "Telerama Holiday," the theme of which was the wide wide world. Eighty members of A Cappella were privileged to be a part of a massed chorus which sang for the Music Educators National Convention held in St. Louis this year.

The Choral Music Department consists of five choirs, A Cappella, the performing choir; Senior Choir, which also does advanced work; Intermediate Choir; and two Junior Choirs. This year the madrigal group was revived with a membership of about twenty-five very talented singers.

The work in the choirs has always been held to the highest of standards. The students are taught choral techniques and music appreciation. Along with it they learn the value of teamwork, obedience to direction, and high spiritual and moral values. In fact, in January the choir presented Miss Mann with a plaque for her leadership and perseverance for higher ideals and finer character.

This year eight hundred students were members of some choir. The things that you will learn in choir will be of value to you long after you have graduated. In the words of Shakespeare, "Beware the man that hath no music in his soul."

The Instrumental Music Department at C.H.S. affords an opportunity for students to participate in various fields. The Cleveland Orchestra is composed of music students who desire to continue their training. The Orchestra serves as a service unit for various school activities throughout the year. This year the Cleveland orchestra contributed members to the All-City Orchestra. Admission to this orchestra is gained by competitive auditions which are held early in the year. This year's orchestral season was highlighted by a performance of this group for the National Music Educators Convention which held its national convention in St. Louis this year. Also, the orchestra has appeared with the St. Louis Symphony for a combined concert.

Novelty Band

Row 1: Bob Rhoads, Norm Nottmeir, Harry Mauckenheimer, Larry Charpiot, Ted Slein.
Row 2: Elmer Hoenig, Al Trost, Henry Berg, Ron Yanker, Ed Wuch, Dave Nusky, Walt Walker.

The 1955-56 Novelty Band, under the excellent direction of Mr. Huxol, has begun to build on its supply of musicians as well as music. It has developed into one of the best sounding bands ever heard at Cleveland High. Although we will lose two first trumpets, and one tenor saxophone in January of 1957, the Band still has prospects of becoming still greater. If this old adage, "practice makes perfect," still holds, there is little doubt that those prospects will be realized.

The Concert Band this year has been under the able direction of Mr. Huxol who in his first year at Cleveland, is leading it through a complete change over and reorganization. The Band is now one of the leading organizations in our school as well as in the public school system. Mr. Huxol does not believe in one type of music, but is interested in developing a repertoire sufficiently broad in its scope to satisfy the tastes of the greatest number of listeners from Novelty music to symphonic. This year the band has participated in such activities as Football Coronation, Football games, Graduation Exercises, The Spring Show, Pep Sessions, and concerts for students and teachers. All members enjoy playing under Mr. Huxol, and everyone wishes him many more successful years at Cleveland.

Club Espanol

Row 1: Mr. Hall, Robert Busher, Bill Dixon, Derrold Dooley, Jim Edwards, Gene Grewis, Larry O'Rourke, Michael Russo.

El club de Espanol, better known as the Spanish Club, has ended another highly successful year and is planning into the future. The club is under the sponsorship of Mr. Hall and meets in Room Four at 3:20 P. M., the second and fourth Fridays of each month. All past and present Spanish students are cordially invited to attend. The purpose of the club is to stimulate interest in the Spanish language, customs, and culture. All meetings, however, are conducted in English so that the beginning students may understand everything. The big events of the year are a Christmas party, given for us by the Webster Haynes, and our annual picnic, to which Webster Hayne is always invited. Other numerous activities in keeping with the aims and purpose of the club are being decided upon for the terms ahead.

Rifle Shooting is a self-supporting sport with no help received in any way from the Cleveland High School general fund. All expenses incurred by the club are paid by its members.

In spite of the loss of many of last year's Rifle Club members through graduation, the Boys' Rifle Team has won the Public School championship for the second consecutive year.

Last year the team suffered only one loss, the match with St. Louis University High. This year Cleveland High has high hopes of defeating them in the City Shoot-off.

For the first time since the club was organized members of the Rifle team hope to receive letters for their participation in this sport. More enthusiasm in the club and even higher scores on the team will be encouraged if letters are awarded.

The interest and determination of the Rifle Club members has always remained at a high standard. This trait has always been sustained in the past and it seems certain that it can always be maintained in the future.

The Sharpshooters Club, better known as the Girls' Rifle Club, is one of the few girls' rifle clubs in St. Louis. The rifle team was organized many years ago under the sponsorship of Mr. Arthur J. Svoboda, who is now the Principal of Cleveland High school. Our present sponsor, Mr. Julian, also sponsors the Boys' Rifle Club.

At present the team competes on equal terms with boys and girls in the Greater St. Louis Junior Rifle League Tournaments.

Any girl, Term One to Eight, may join the rifle club. It is a lot of fun learning how to shoot and an opportunity is afforded to make many new friends not only here at Cleveland but also from among the membership of other teams that we meet and from among other participants in the tournaments that Cleveland enters.

Ability to shoot is not a prerequisite for joining the Sharpshooters Club. Instruction in both basic fundamentals and in the more advanced techniques of handling the rifle as well as in the accepted courtesies in competition is given. The guns, jackets, and other equipment, all except the ammunition, are supplied by Cleveland; so you need not own your own gun to join the rifle club.

Mr. Julian hopes to have an even greater team next term so try and join.

Have you ever been to Webster-Hayne? If you are the average Clevelandite you undoubtedly have, and are attending the weekly meetings. No doubt you are continuing to come to the discussions because you have such a good time discussing the major and minor problems of our day and age.

But suppose you are a Clevelandite who has never been to a meeting of the Debating Club. Suppose you then attend a meeting on a typical Thursday. You walk in, sit down, and talk somewhat loudly to your friends until a little guy behind the desk bangs a gavel. Beside the gavel is a huge goat, mascot of Webster-Hayne, which, though not being the most cherubic creature on earth, certainly typifies with its characteristic tenacity, the deliberate convictions of the debaters. The business of the club is discussed and dispensed with in short order. Then the fireworks begin—the debate is on—no holds barred. Before the meeting is over nearly everyone gets up before the group and antagonizes it with his "two cents worth of" opinion. Here in Webster-Hayne the valuable individuality of the member is carefully developed to the fullest.

Most new members find the debates so interesting that they surprise themselves and speak before the club at the first meeting they attend. Mr. Doxsee follows the debate, always, with his suggestions, and quite often with his viewpoints. He seems to enjoy himself most when he can disagree with every last person in attendance. Truly an unusual man—and a fine sponsor!

Webster-Hayne is on the lookout for new members and has sighted you! Visitors are welcome at any meetings every Thursday in Room 103. See you at the next debate!

The Audio-Visual Service under the leadership of Mr. Doxsee and Mr. Briggson has served the school in many ways during the past year. At all Auditorium programs members of the club have been on duty handling the Public Address System, stage lights, spot lights, and operating the arc light projection.

Since the installation last fall, of the new amplifier and additional overhead speakers and lights in the auditorium along with soundproofing the lower ceiling, reception of programs has been quite satisfactory. Certainly the results are a great improvement over those that were obtained before the recent changes were made.

During the year a new Bell and Howell Specialist projector arrived. Other new equipment is anticipated in the near future.

Members of the club are expected to learn how to operate all sound projectors, film strip machines, opaque projector, and tape recording machines.

Each year a field trip is taken to a local radio station, local television station, or the Division of Audio-Visual Education.

The club and sponsors especially require three things in every projectionist: to maintain an accepted scholastic standard, to be careful in operation of machines, and to give courteous and prompt service at all times.

All members of the club receive points for their service and their attendance at the Tuesday morning meetings.

Any student having a good scholastic average and an above average ranking in citizenship is eligible to join the club. He must first be recommended by his advisor.

The Key Club, organized in 1955 and sponsored by Mr. Julian and the South Side Kiwanis Club, is a new organization at Cleveland. It belongs to an international movement which boasts over 2,500 clubs with a total membership of over 30,000 in the United States and Canada. Five of these clubs are located in the St. Louis area. The Cleveland Key Club is unique in that it is the first of its kind in the St. Louis Public High School System, and, if it is successful, others will be organized in the various public high schools.

The purposes of the Key Club are to develop in its members initiative, leadership, and the ability to live and work together by bettering the school and community; and, through this, to prepare them for useful citizenship. This year, although we have had a difficult time orienting ourselves, the Key Club has been the impetus behind the drive to put a bronze plaque in the front hall of C.H.S. perpetuating the memory of Cleveland boys who made the supreme sacrifice in World War II. Although the accomplishment of this single project may seem of small moment to some, it takes on added significance when considered in the light of the all-important job of organizing the group and inculcating into its members the values and broad scope of the Key Club's purposes. We feel certain that, after the first year, which is always the hardest, this club will grow into one of the most important organizations in Cleveland High School.

The Lettermen's Club is a newly formed organization at Cleveland. There has long been a need for such a club, but the force for its creation was lacking. The three new coaches who came to Cleveland this past fall furnished the complement.

At the first meeting held during the last part of the fall term, officers were elected and a Committee was appointed to draft a constitution. On March 8 this constitution was accepted, by an unanimous vote. The elected officers were: Rick Bockrath, President; Bob Kramer, Vice-President; John Claiborne, Secretary-Treasurer; George Love, Sergeant-at Arms.

The Lettermen's Club is composed of all boys who have earned a varsity letter in a sport "approved by, or which receives benefits from the St. Louis Public High School League." At the present time these sports are baseball, basketball, football, track (and cross country), swimming, gym team, and tennis.

One of the purposes of the Lettermen's Club is "to encourage higher standards in scholarship and sportsmanship." To attain these ends the Lettermen's Club plans to encourage these activities which stress teamwork and cooperation in all Clevelandites. By developing a sense of unity between the faculty, the students, and the athletes, the Lettermen's Club believes that it will do much to develop and maintain an outstanding school spirit.

Why does the History Club concern you? Because the History Club is the place for you! The club is one of the youngest and fastest growing clubs at Cleveland, and welcomes visitors to any meeting in Room 122 on Wednesday afternoons. Here at these meetings students discuss and voice their own opinions on subjects historical that pertain to the modern individual. Usually one member prepares a short speech on a topic and this is followed by query and discussion. Mr. Snider, our sponsor, usually adds his comments on the subject, in which few members generally concur, since the club is predominantly Republican. But the meetings serve a most useful and educational purpose. Here many students first learn the fundamentals of public speaking, here the Eisenhowers, Stevensons, and Websters of tomorrow are trained. Here also one explores the minutiae of history and its value to the present.

We of the History Club believe that we have a fine organization, and we know that it will be much better when you join. See you next Wednesday in 122.

The Cleveland Dutchmen Bowling League is organized on an intramural basis and is open to boys of terms one through eight who are enrolled at Cleveland High School. The league is sanctioned by the American Junior Bowling Congress and the boys bowl regularly once a week.

Since bowling requires only moderate physical activity it is enjoyed by many older people. One of the objects of the league is to create and further interest in the game to the end that it may become a source of enjoyable and relaxing activity throughout life. During the course of the season the boys have an opportunity to learn the fundamentals of the game. This past season a bowling clinic was held for members of the league. Outstanding bowlers from the St. Louis area were on hand to help the boys learn how to improve their scores. Learning bowling etiquette, how to keep score, and learning good sportsmanship in winning or losing are also objectives of the league.

Opportunities are had during the season for competition with teams from other schools. This season a team selected to represent the league placed third in the Hadley Christmas Tournament.

Bowlers have an opportunity to win trophies which are awarded at the end of each season. Each member of the winning team receives a trophy, and a trophy is awarded to the bowler who has the highest single score, and the bowler who has the highest three-game total. Other awards are presented by the American Junior Bowling Congress and by the Cleveland Dad's Club.

Officers are elected for each season which lasts from early fall until spring. The following boys served as officers for the 1955-56 bowling season:

Bill Stevenson ..... **President**
Marvin King ..... **Vice-President**
Leroy Felio ..... **Secretary**
Larry Charpiot ..... **Ass't Secretary**
Earl Kestler ..... **Treasurer**

The Dance Club, which is a part of the Girls' Recreation Association, offers to all girls an opportunity to engage in dance activities of all types—ballet, folk, modern, tap and interpretive. The classes are offered during the school day and may be taken in addition to the regular required physical education class. Girls with talent in dance are especially encouraged to join the Club since through participation in these dance activities they may further their ability by more advanced training as well as by having a chance to demonstrate their talent and skill to the rest of the student body. Also girls with no previous dance experience but with an interest in dance expression are invited to affiliate with the Club since they will certainly find there an opportunity for rich dance experiences and esthetic enjoyment.

As an added interest, the girls often perform in school functions such as operettas, Spring Revues, Open House, and Coronation. This year they are especially proud to be dancing a special ballet as part of the National Music Education Convention which meets in St. Louis at Convention Hall during the second week of April. Membership this term numbers over fifty and is divided into a beginners and an advanced group.

CO-CAPTAIN

The Season

After weeks of practice under the leadership of a new head coach, Ray Cliffe, and Co-Captains, Ted Muschany and Jim Miles, the team was mentally and physically ready to journey across the river and meet our traditional foes, the Belleville Maroons. The hard-hitting Cleveland team hit Belleville with such force that fuses blew, lights went out, and the game ended in a unique way. Cleveland scored first by cracking Bob Kraemer loose for a 97-yard touchdown run. On the first play of the second quarter a bobble was picked up by Belleville and carried across for a tying 6 points. The third quarter saw both teams butting heads with no success. The last quarter was opened by Belleville sliding around end for the touchdown which brought a hard defeat of 12-6 to Cleveland. Both teams left the field upon hearing a fake time horn and had to return for three seconds of play. Cleveland had the ball and their last desperate pass play was foiled.

The following week Cleveland met McBride at the Public School Stadium. For three quarters the Dutchmen held the large end of a 7-6 score, but in the last quarter McBride took to the air with guided missile-like accuracy. They soared for three touchdowns while Cleveland was able to pound out but one. Final score: Cleveland 14, McBride 26.

The Season

Again the Cleveland Dutch crossed the Mississippi, this time to tangle with Chester, Illinois, who had won their conference title last year. For the first two quarters the Dutch were not able o cross the last white line. However, Cleveland burst forth on the first play of the second half with a beautiful 80-yard run by Evan Paoletti. The team reinforced this lead with another touchdown by Kraemer. During the last quarter Chester managed one touchdown to bring the final score to 12-7.

Cleveland opened league play with a 13-7 victory over Vashon. The Dutch battled hard against a hustling Vashon team for the first half without a tally on the board. However, the team came out the second half with more pep and drive and were able to put Jim Miles over for two T.D.'s. Vashon managed to obtain 7 points before the final gun, to bring the score to: Cleveland 13, Vashon 7.

The Dutch team was set back by losing their second league game to Sumner. After Sumner broke loose for the first touchdown, the Cleveland team tightened their defense and it seemed as though there would be no more scoring. Nevertheless, while Cleveland was trying to bolster their offense for a scoring punch, Sumner connected with a pass which led to their second touchdown. The final score was Sumner 13, Cleveland 0.

The special plans which Cliffe's rampaging "roughians" had made for Beaumont were drowned in inches of mud and water. The Cleveland team found itself on the short end of a 19-0 score, before they discovered that pass plays would work even in an icy rain. Claiborne managed to snag the ball twice for a gain of 60 yards. This offense was found too late; the Dutch lost 19-0.

The Season

The team hit Roosevelt with all they had and won a 13-0 victory. Cleveland, after stopping a Roosevelt drive, marched over the Rough Riders for a T.D. Because of a penalty the extra point had to be kicked from the 17-yard line. That made no difference to Evan Paoletti, who booted the ball squarely between the uprights. During the second half Jim Miles broke loose with a 45-yard touchdown run.

Cleveland lost a close game to the potential city champions, Central. For three quarters Cleveland held like a stone wall against the battering Red Wings. One of the most outstanding displays of defensive power was shown by Cleveland when they stopped Central on the Cleveland 3-yard line. Central had four downs from this point but were still unable to penetrate for the score. Their fourth attempt was mauled by the entire Cleveland line. However, Cleveland relaxed for one play during the last quarter and allowed Central to secure the winning touchdown. The final score was Cleveland 0, Central 7.

The Cleveland Dutch finished the season with a team victory of 41-13 over Soldan. Things went slowly the first half with Cleveland scoring twice to the Tigers' once. The team went wild the second half and scored four times to Soldan's one. Nickrent and Kraemer each ran a punt return the distance to score. The team carried Coach Cliffe off the field, and so ended a fine season.

The "B" football team finished one of its most successful seasons in the history of Cleveland High School winning five games and tieing two. Being undefeated in league play, they were the uncrowned champions of the Public High B League. They were tied once in the league by Sumner. The score was 6 to 6. The team amassed a total of 106 points to their opponents' 46 points. Their leading scorer was Carl Cresswell, who tallied 63 points. A newcomer to the Cleveland coaching staff, Mr. Carlton Nebel, was in charge of the squad. Two of their finest games were defeating Beaumont 14-6 on Beaumont's field and making a second half surge to defeat Central 7-2 in the mud at Fairgrounds Park. A southside opponent, St. Marys, played the junior varsity to a 13 to 13 tie. The scores of their games were as follows:

St. Mary's "B"	13	Cleveland "B"	13
Vashon "B"	0	Cleveland "B"	20
Roosevelt "B"	6	Cleveland "B"	19
Beaumont "B"	6	Cleveland "B"	14

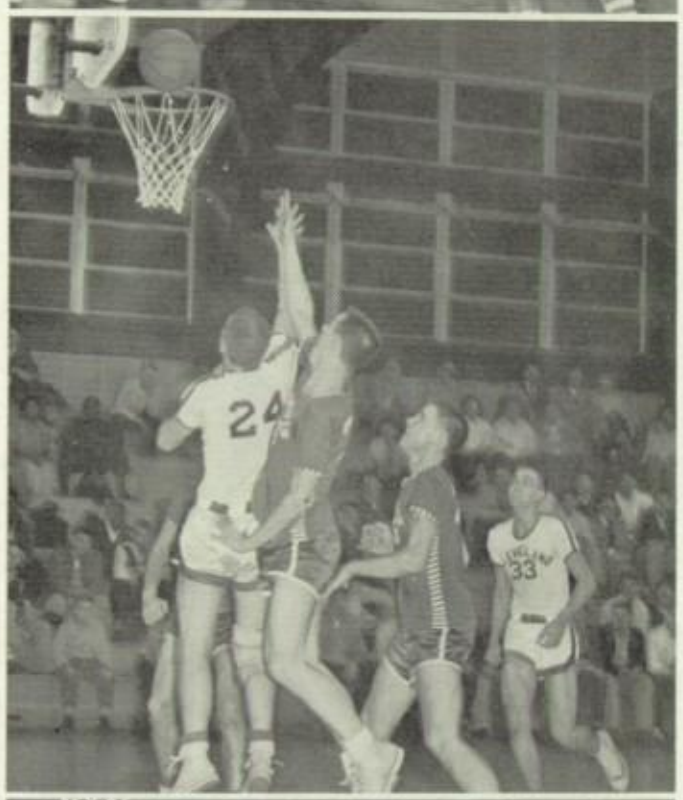
The Season



Alumni

The Varsity Basketball Team took the floor for the first game of the '55-56 season against the star-studded Alumni. The Dutch had a half-time lead of 40-25; but in the second half the more experienced Alumni forged ahead; and, when the final buzzer sounded, the Alumni was on top by two points, winning 65-63. Captain George Burkel led the Dutch attack with 35 points, followed by Don Jansen with 8 points and Frank Zavadil and John Scowcroft with 6 points each.

Normandy

The Jansenmen in their first official game of the season overpowered a good Normandy team, 60-43. Burkel paved the way with 36 points. Zavadil, Jansen, and Cloud had 9, 8, and 4 points respectively.

Washington Tech.

In their first Public High League game of the new season, the basketeers walloped Washington Tech., 66-30. "Big" George Burkel outscored the whole Tech. team, gathering 35 points. Zavadil looked good while scoring 12 points. Scowcroft tallied 7 points.

Kirkwood

The Dutchmen playing Kirkwood, who always has a strong team, eked out another victory, 53-52. The game was close all the way and was not decided until the closing seconds when John Scowcroft was fouled and made both his free throws. Burkel had 26 points, followed by Jansen with 10 points.

Roosevelt

Leading all the way, Cleveland sailed home to their fourth straight victory by downing Roosevelt 55-33. Burkel rimmed 26 points and Zavadil scored 15 points.

DeAndreis

Cleveland's height and George Burkel's 25 points overpowered a spirited DeAndreis five to the tune of 56-36. Zavadil had 12 points and Scowcroft netted 10 points.

Public High School Christmas Tournament

Playing in the first Public High School Christmas Tournament, the Jansenmen placed fourth. In the first game of the tournament Cleveland played a spirited McKinley squad. The game was close to the final buzzer, but Cleveland came out on top to win 55-53. Don Jansen led the Dutch with 14 points. Vashon was the Basketeers' next foe as they downed them 48-41 The Orange and Blue's winning streak of 7 came to an end when the very powerful Sumner Squad, who went on to win the tournament, downed the Dutch 65-51. The following night the Jansenmen were again defeated, 52-49, by Hadley Tech. in the third place game. This was a very heart breaking match for the Dutch.

The Season

St. Mary's

Cleveland tripped the St. Mary's Dragons in the first game of the new year, 63-43. "Big" George had 25 points followed by Zavakil with 18 and Scowcroft and Jansen with 8 points apiece.

Southwest

Southwest fell before the Dutch onslaught 58-46 to give the Dutch their third straight league victory. Burkel cleared the way with 32 points, while Zavadil and Scowcroft gunned for 11 and 10 points respectively.

Hancock

After a close half-time score of 25-22, the Dutch went on to win 55-46. All around team scoring was responsible for the victory with four players hitting in the double figures. Burkel had 14 points followed by Scowcroft, Zavadil, and Jansen with 10 points each, and Cloud with 7 points.

Central

The Dutch had a "field day" as they downed Central 71-42. Captain George Burkel had 28 points; Zavadil, 12 points; and Scowcroft, 10 points.

Sumner

Meeting Sumner for the second time, the Dutchmen hustled all the way, but were again overpowered by the well-rounded Sumner Squad. This brought Cleveland's string of 4 league victories to an end and extended Sumner's to five. Final score, Sumner 60, Cleveland 55. Burkel had 24 points followed by Scowcroft with 12 points.

Beaumont

Playing their traditional rivals, Beaumont, only four days after the Sumner game, Cleveland went down in defeat, 69-54. Don Costello of Beaumont scored 28 points, but Burkel topped that by scoring 29 points.

DuBourg

DuBourg fell before the Dutch gunners, 60-32, at the DuBourg Gym. Burkel had a good night popping in 38 points. He was followed by Jansen with 8 points.

McKinley

Cleveland played a hard but losing battle against the Goldbugs of McKinley. At the half, the Dutch were ahead by 7 points, but McKinley quickly made up the difference to tie the score, 44-44, at the end of the third quarter. Cleveland and McKinley traded baskets in the last quarter, but McKinley was on top, 55-54, when the final buzzer sounded. This was the last game for Norm Weber, due to mid-term graduation. Burkel was again high scorer netting 21 points. Zavadil and Jansen netted 11 and 10 points respectively.

Roosevelt

The Orange and Blue in a non-league contest, pushed over a strong Roosevelt Squad 63-49, for the second time in the season. Burkel looped in 27 points; Zavadil, 14 points; Jansen, 10 points; and Scowcroft, 8 points.

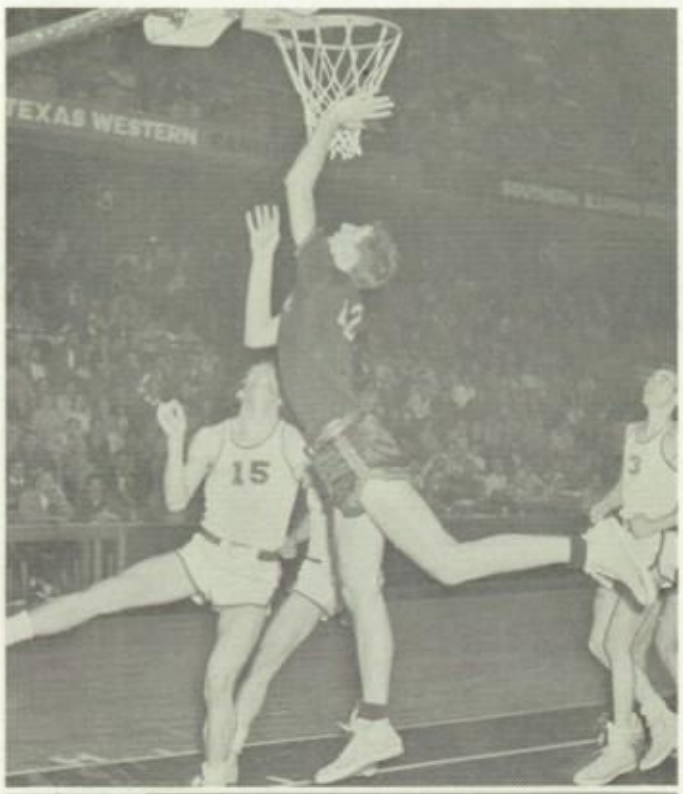
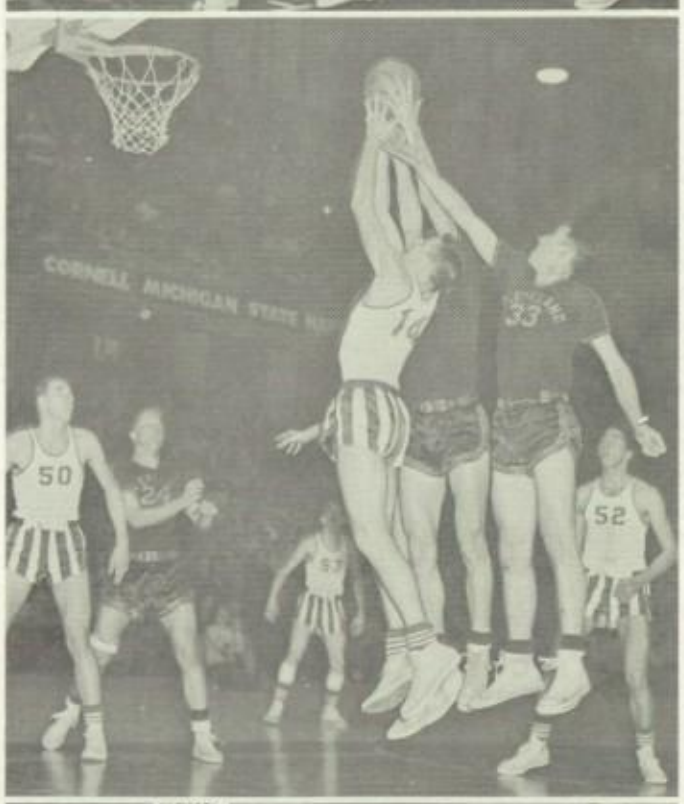
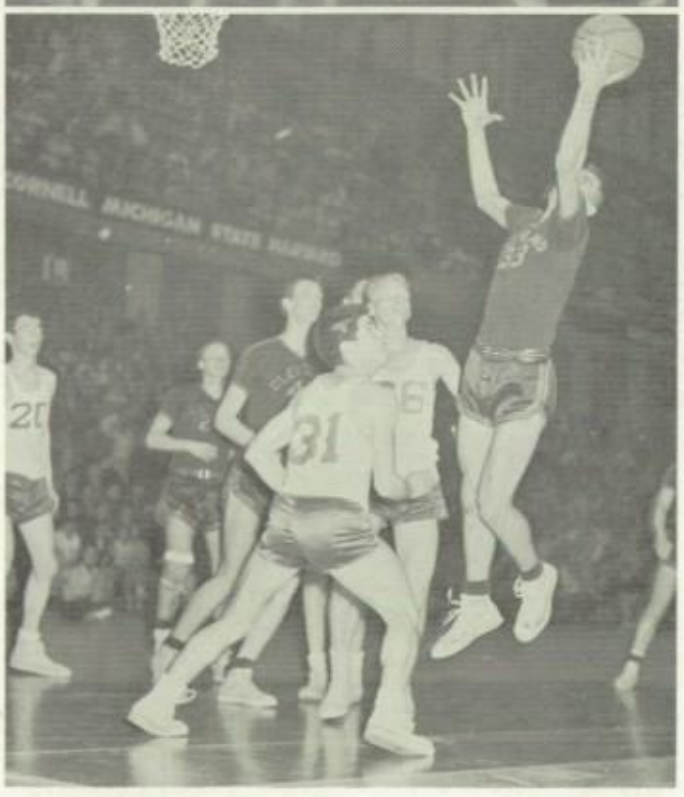
The Season







Hadley

The Jansenmen had one of those nights when nobody could make a basket. As a result of this they lost to a hepped up Hadley team by 43-34.

St. Louis U.

Playing St. Louis for the first time in the season, the Dutch won a close battle 58-52. Zavadil was high man with 19 points.

Vashon

Cleveland meeting Vashon for the second time, lost their fourth league game in a row 59-58. The Dutch led until the fourth quarter when the fired-up Vashon squad poured in the baskets to win by two points. Zavadil was again high man with 20 points.

Soldan

Playing their last league game of the season the Dutchmen trounced Soldan 64-37. This made Cleveland's league record 5 wins along with 5 losses.

Blue Ribbon Tournament

In the newly organized Blue Ribbon Tournament held at the St. Louis U. High gym, Cleveland won second place. In the first game Cleveland again played St. Louis U. Cleveland looked unbeatable as they romped over the highly rated St. Louis team, 75-57. In the finals the Basketeers played mighty Beaumont. Beaumont looked like the State Championship team as they beat Cleveland 61-43.

State Regional

Knocking over DuBorg 79-52 in the first game of the State Regional, the Dutch played McKinley on the following night. Cleveland won the bitterly contested game 70-38. As a result of the victory, the fired-up Dutchmen played St. Louis U. High in the finals. St. Louis got off to a fast start and were ahead at the half 28-23. With Burkel, Zavadil and Scowcroft hitting in the second half, the score soon evened out. St. Louis could not keep the terrific pace and found themselves on the short end of a 57-47 score. This victory landed Cleveland a spot in the State Finals held in the Washington University Field House.

State Finals

The Basketeers improving rapidly with every game, entered the State Finals as a dark horse. Cleveland downed a good Sedalia team in the first round 70-54. Picking up steam, the Dutch played Mercy in the quarter-finals. The Dutchmen rocketing ahead in the second half beat Mercy by a score of 60-41. In the semi-finals the Dutch did not get the breaks and lost a heartbreaker to Maplewood in the last eight seconds of the game. All through the game the score remained about even. With eight seconds left, the Leafs sank two free throws to make the score 43-41 in their favor. Cleveland threw the ball in and immediately called time out. When play was resumed, the ball was thrown into Burkel, but his jump shot was no good, as the gun sounded ending the game. Not to be denied, the Dutch bounced back the following night to beat Christian Brothers of St. Joseph, to take third place in the State Tournament.

The record of the "B" Basketball Team of Cleveland High School was nine wins and ten losses. This was the best over-all record of the "B" Team since 1951. Only three times during the season were they beaten by more than five points, once each by St. Louis U. High, Southwest, and Vashon. The first string consisted of Ronald Yanker, Carl Weber, Gene Martin, Bill Blasberg and Captain John Dyn. In mid-year Tom Harton replaced Bill Blasberg, who became a term five. Ronald Yanker was the high scorer for the team. A couple of their best wins were over arch-rival Roosevelt, 63-62, and Hadley 49-36. They were coached by Mr. Carlton Nebel, a new member of Cleveland's coaching staff. Some fine Varsity material should come from this "B" Basketball Team squad.

Early in September, the "Dutch Tankmen" began their rigorous workouts, faithfully and devotedly reporting to Cleveland's "Swim Tank" with hopes of another eventful season.

Coach Ray "Doc" Singer kept a daily vigil over his boys, giving them the help and guidance, which was readily accepted by both newcomer and the old reliables.

Bang! The sound of the starter's gun. Splash! Tense swimmers hit the water as the Dutch team, on December 6, opened their Public High League swimming season. Sumner, a highly improved squad over last season, was to be their first victim. The points mounted up to the final total of 69-10, the biggest margin gained by the Dutch during the season. In this meet, a Term One, a newcomer to the squad, Gary Lutker, showed ability which earned him a place in nearly every subsequent contest.

December 9th, the Dutch journeyed to the home of their archrival, Principia. In spite of putting forth their best efforts our boys did not seem quite up to par for "Prin" took the meet 37-42. The drive and determination of the Dutch squad was shown here as Mel Jackson, near the point of exhaustion, swam on to complete his rugged free style event. Dave Mausshardt, Jack Martin, Leon James, and Rowley Hawkins helped to rally the 37 points.

An easy victory was won over a weakened Roosevelt team who were dunked by 41 points. The score 60-19.

Again, the Tankmen journeyed from their home pool to Normandy for a non-league meet, but this time were the victors. A strong Viking team provided competition for an exciting meet which ended with score, 53-26. Following soon after this contest, was the meet looked upon with much anticipation, that with Hadley Tech., for to overpower this competition meant a powerful battle. And a battle it was, unto the last stroke. The teams were neck and neck as places by Jack Bridwell, Wally Wagener, Jim Staley, and Roger Beuc helped to balance the score. It was time for the last two events, the medley and freestyle relays. Both events were needed—both were won. The medley was highlighted by a brilliant climax when ace, Jack Martin, splashed through to put the Orange and Blue on top. This was, perhaps, the most thrilling race of the season.

With this victory now past, the season advanced bringing meets with Soldan-Blewitt (57-22), Vashon (63-15), McKinley (70-9), and Beaumont (forfeit). The meet which lost for Cleveland an independent city championship but which cinched a two-way tie soon came to pass with last year's city champs, Central. The Dutch Tankmen were drowned by three points, 38-41.

Season

All league meets having been completed, the tankmen ventured to Normandy to defend their championship in the annual Normandy Invitational Relays, an honor they had held for the preceding two years. Since this was the last meet for the January Graduates, Jack Martin (state Champion freestyler and a record breaker), Bob Little and Curt Daniels (both freestylers); all efforts were made to make it one for them to proudly remember. Perhaps, because the Dutchmen were too confident, they fell one point below that needed to win. A heartbreaking meet—they returned home with the second place.

February 18th was the day of the Missouri State Swimming Championships. Defending Champion Cleveland arrived with hopes for the best but realized they were not the powerhouse they were at the season's start having lost much strength in the January graduation. With the odds against them they made a fine showing. Three men placed in the individual events, while eight others placed on the two relays. As the meet splashed on, Rowley Hawkins grasped a sixth place in the hundred yard breaststroke accompanied by another sixth by Roger Beuc in the two hundred yard freestyle.

The upset of the meet came when star, Dave Mausshardt, after barely qualifying fifth in the preliminaries, surged on with the determination which brought for himself and for Cleveland the Missouri State High School Backstroke Championship for the 1955-1956 season.

Next came a thrilling performance by the Medley Relay Team. It was spurred on by Mausshardt starting (backstroke), followed by Leon James and Rowley Hawkins swimming their best this season (breaststroke) and was climaxed by Bill Gardner, (outstanding performer throughout the season in backstroke and freestyle), who swam the freestyle, cinching a fourth place.

The Freestyle Relay composed of Rick Bockrath, Wayne Bender, Walt Wagener, and Mel Jackson, which followed, did its part by fighting on to a fifth place giving Cleveland a grand total of 19 points securing fifth place in the overall competition.

The team this year had a new manager, capable Mel Crenshaw, and a new attraction, a 4 ft. 10 in. mascot by the name of Tommy Criessen. As the season is viewed in retrospect, you will find a record of first place in the city league, second in the Normandy Relays, and a fifth in the State Tournament, of which the team and Cleveland can be proud. A vote of thanks and appreciation goes to the coaching of Mr. Ray Singer, who, throughout the season as in the past, has given them the training and inspiration apparent at all times.

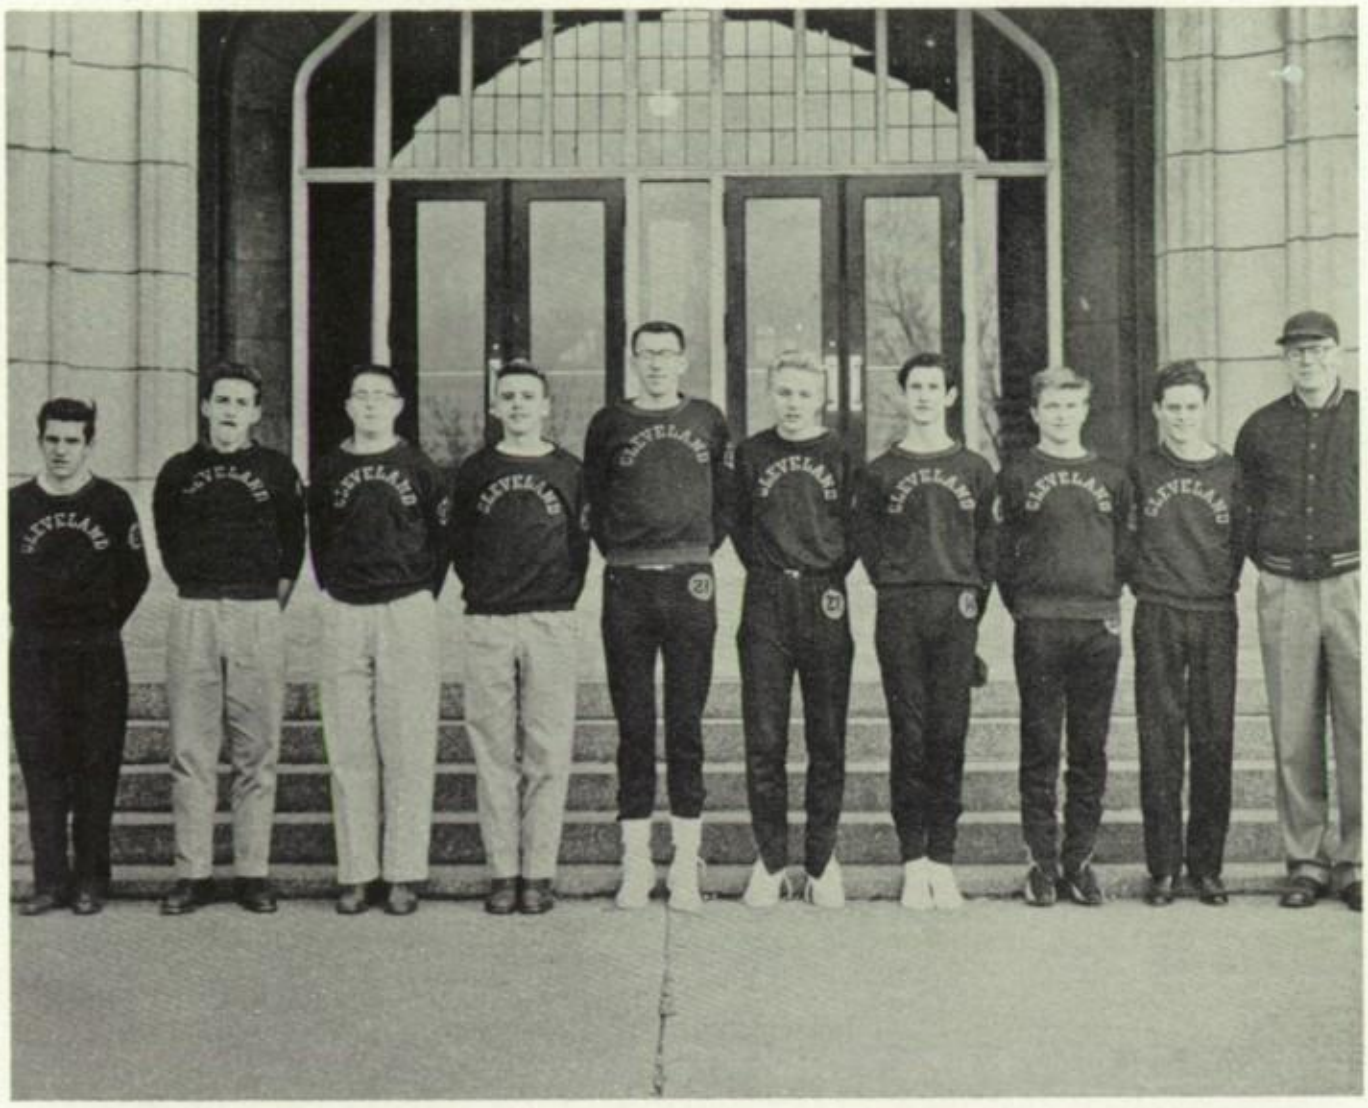
Cross-Country



Row 1: George Schmidt, Alan Schubert, Otto Krause, John Dyn, Roland Van Nest, Ray Wichmann, Tom Baumgartner, Al Bennett, James Jones.

The Cleveland Thinclads, under the watchful eye of Coach Beckerle and their Captain Roland Van Nest, began practice early in September. Coming out every night, their first job was to get into condition. They then built themselves up to peak performances, circling the track and running at Carondelet Park in preparation for the gruelling cross-country meets.

This year's goal, as always, was the winning of meets between the city contenders and then the ultimate state tournament, where the "all" of every runner was given in the hope of placing at the finish line.

Although the team did not do anything outstanding this year, it should be noted that the squad is young and lacks experience. With this year's experience behind them and stamina increasing, in the near future the Cleveland Thinclads should be capable of producing an admirable record.

In 1953, Cleveland won its first Public High League championship. In 1954, Cleveland repeated, winning its second championship. Now, in 1955, Cleveland's racket squad has brought home its third consecutive championship. At a school auditorium session Mr. Walter Williams, League Manager, presented the first place trophy to Harold Heitmann, team Captain, who in turn presented it to Mr. Svoboda for the school.

The team, sporting their two previous league crowns, were nearly invincible as they methodically crushed their opponents. The season was interrupted several times by the numerous fall rains, but was finally completed with the Central High match, played on Cleveland's own courts. The rest of the matches were played on the Forest Park courts.

The squad won all five matches from McKinley, Roosevelt, Soldan, Southwest, and Sumner. When playing Beaumont and Central, the Dutchmen captured four of the five matches.

The individual records, listed according to their team ranking, are:

POSITION	NAME	WON	LOST
First Singles	Harold Heitmann	6	1
Second Singles	Raymond Bodicky	7	0
Third Singles	Bob Rhoads	7	0
First Doubles	Dick Hampe and Bill Feuerborn	7	0
Second Doubles	James Parey, Ray Diehl and Rich Reim	6	1

Gym Team

Row 1: John Burkel, Mike Russo, John Held, Ken Harper, Roger Shield, Doc Singer.
Row 2: Rich Jansen, Walter Shellbrink, Al Brennecke, Bob Keis, Don Jansen.

One of the strongest teams in Cleveland's history was developed this year. The Dutch team had eleven returning men from last year's team of which five were lettermen.

The squad made its first appearance in November in an all-school auditorium session. The show consisted of exercises on the horse, mats, and parallel bars. The act was made complete with the fast diveroll act with dives of length, height, and timing.

The "Big Three" Public High school teams clashed in the Northside Y.M.C.A. meet in December, with Cleveland taking a heart-breaking third by losing to Beaumont and Hadley by three points. In this meet the team placed third out of six teams. The Dutch gym team will meet these teams this season with more meets than any other season. Two new meets were formed to give better competition and to form greater interest in gymnastics.

The success of this year's team is due to the great coaching of "Doc" Singer who devoted much time and energy to the team. Through his successful ways of handling boys, new goals have been reached.

Cheerleaders

Row 1: Jane Hampe, Marie Waddell, Carol Kring, Judy Barbos, Rochelle Albert, Judy Dressler, Rita Heldmann. Capt. Spring, Georgiana Baier, Capt. Fall.

"Gimme a 'C'!"

"Louder. We can't hear you!"

They may seem deaf, but it's just the cheerleaders getting some school spirit.

These eight girls are elected by popular vote of the student body in the spring of each year. They work hard throughout the athletic season, practicing before and after school, to perfect their timing and co-ordination.

Anyone in Cleveland may try out for cheerleader. Practice sessions are held before school to train the girls. Eliminations are made, and the ones left show their ability at an Aud. Session. The student body then elects the best ones on the basis of ability, pep, spirit, and leadership.

Having cinders ground into your knees at football stadiums, standing in water up to your ankles at the Beaumont game, only to lose by one touchdown; nursing floor burns from hardwood courts and sewing patches in your slacks; enjoying the exhilarating triumph of a successful season; experiencing the joy over winning the St. Louis University High Regionals; living through the expectant hope of the State Tournament games; dying a thousand times in the closing seconds of the Maplewood game; and witnessing the presentation of the third place trophy at State to a great team, are all cheerleader's experiences. But they are experiences not one of these eight girls would have missed.

It is well worth it, and to earn a letter in cheerleading is a satisfaction that follows on having a great time and a rich experience.

Baseball Team

Row 1: John Scowcroft, Jack McNally, Jim Miles, Bill Eiler, Bill Mueller, Don Jansen, John Claiborne, Bruce Mills, Charles Hasser, Skip Johnson. **Row 2:** Coach Jansen, Fred Blasberg, Stuart Walls, Bill Blasberg, Ken Nerl, Evan Paoletti, Ed Wuch, Bill Dickson, Rich Thien, Gus Frank, Frank Zavadil, Roy Baum, Mgr.

The 1956 Dutch baseball campaign got under way almost immediately after the basketball season had ended. With almost a full team returning from last year's squad, Cleveland should be a strong contender for top honors throughout the season.

Returning outfielders are: Charles Hasser, Stuart Walls, Bruce Mills, Bill Mueller, and Jack McNally.

All of last year's outstanding infield will once again be back with the diamond crew. The infield includes such outstanding performers as: Bill Eiler, John Scowcroft, Don Jansen, Bill Mueller, and Evan Paoletti. With two top-notch catchers in Bill Blasberg and John Claiborne the Dutchmen's backstop needs will be well fulfilled.

To add the final punch of this year's well balanced team, three outstanding hard-ball hurlers, Evan Paoletti, Fred Blasberg, and E. Wuch, will lead the Dutch mound staff.

As the Beacon goes to press the diamondmen, under the watchful eye of a very able Coach Jansen, are preparing for the season ahead with everyone hoping for the best.

Well, 1956 opened a new track season for the Cleveland cindermen under the excellent direction of Coach Mercurio and his fine assistant, Coach Nebel. Not only do we have new participants, but we also have new track uniforms and equipment, thanks to Coach Mercurio.

In the Senior Division the 100-yard, 220-yard, and 440-yard dashes will be run by Vern Nickrent, Don Becker, Bob Kraemer and Paul LaPoint. Bob Kraemer will also broad jump. In the senior distance events, Roland Van Nest, Al Bennett, Tom Baumgartner, and Dave Mausshardt will uphold Cleveland's honor. Rich Brandon, Bob Garrison and Gene Pieper will jump the senior hurdles. And last but not least, in the field events Bill Houston will pole vault and Don Eckert will shot put. In the Junior Division Ray Wickmann will participate in the 100-yard dash and Rich Sheets in the 100-yard dash and the 880-yard relay. Jim Pesek will take part in the distance running and the high jump. Bill and Bob Eisenhauer will shot put. There are many many others who will prove themselves worthy as the track season proceeds.

The Girls' Recreation Association has stimulated many opportunities for learning and participating in a number of activities for the benefit of girls. Our organization's purpose is to form a program of physical activities, develop stronger characters for girls through the social values in games and play, encourage participation in large numbers, and establish a point system with awards.

The G. R. A., headed by Rita Heldmann, is very grateful for the fine work that has been accomplished by Miss Charlotte Lewis and Mrs. Theodore. Both have contributed much time and patience to make our G. R. A. a successful one.

This spring, outdoor sports will take the place of the winter sports now in progress. The girls' track team will replace the gym club that meets on Friday. On Tuesday volleyball will take over basketball. The Fancy Fishes will swim on Wednesdays till sometime in June. Tennis and softball will start when warmer weather arrives.

If you would have peeked into the girls' gym any Monday afternoon after school, you would have seen a regular gathering of the Leaders' Club.

Leaders, composed of girls from Terms Two through Eight, is under the sponsorship of Mrs. Theodore and Miss Lewis. The girls learn the finer points of athletics and receive an initial training in physical education.

The activities are many and varied. The girls are taught to "ref.", score, time, and "ump" the different sports like basketball, volleyball, and speedball. With this training they are eligible to help in their gym classes, tournament games, and play days.

The standards of Leaders' are set up by the sponsors. To become a member a girl must pass a test in exercises and receive excellent recommendations from her teachers.

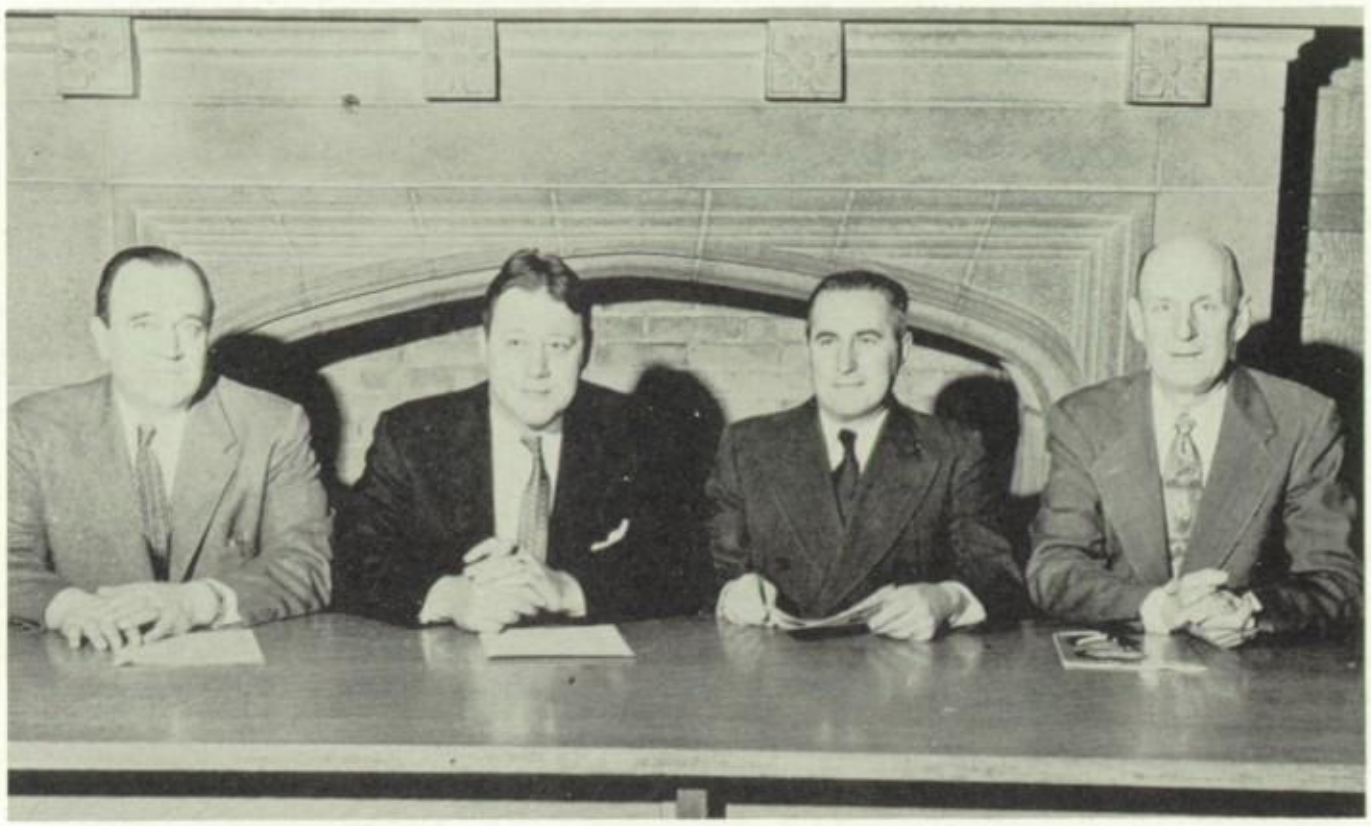
The Dad's Club



Mr. J. Mach, Treasurer; Dr. Bockrath, President: Mr. Dittrich, Vice-President; Mr. Burkel, Secretary.

A number of years ago a group of fathers decided to band together to promote the general welfare of their sons and daughters in Cleveland and they named their organization "The Dad's Club of Grover Cleveland High School."

The main purposes of Dad's Club are to promote and maintain good sportsmanship among all who participate in athletics; encourage good relationship between the family, students, coaches, and faculty; and to encourage wider participation of students in athletics.

Recognizing the value of these objectives in the light of their own school experiences, the Dad's Club has endeavored in every way possible to materialize these to enable their children to enjoy some of the things they themselves would have enjoyed when they were in school.

Among the many activities the Dad's Club carries out are giving a banquet twice each year honoring the Lettermen from the various athletic teams, including the Girls Recreation Association; assisting in the purchase of equipment and supplies; sponsoring buses for various trips; and acting as chaperones at the student activities.

The Dad's Club membership is growing rapidly; and, with its success, bigger and better programs will be carried out. Want to help? Join up.

Cleveland Parents' Association

Mr. Bergman, Mrs. Campbell, Mr. Collins, Mrs. Mach, Mrs. Dittrich, Mrs. Frerck.

The Parents' Association of Cleveland High School is composed of parents or guardians of students attending Cleveland High School and meets the third Thursday of the month at 8:00 P.M. at the school. The purpose of the association is to establish a parent-teacher relationship and to work for the welfare of the students and the school. This group co-operates with the Dad's Club in all school activities where the joint efforts of both organizations are required.

The Parents' Association sponsors all activities and undertakings requested by the school faculty. Special events sponsored by this group are the Senion Party and Freshman Night.

Our outstanding fund raising project of the year is a Card Party. The receipts from this affair are used to buy trophy cases, audio visual aids, or any needed equipment not supplied by the Board of Education.

An invitation is cordially extended to all parents to join this group.
